

BIOS 600 · Final Exam

6 December 2011

Honor Pledge

I have neither given nor received unauthorized aid on this assignment.

Examples of Authorized Aid	Examples of Unauthorized Aid
<ul style="list-style-type: none">(a) Instructor.(b) Instructor provided formula sheet.(c) Simple Calculator.(d) Calculator with memory cleared.	<ul style="list-style-type: none">(a) Any individual besides the instructor or TA.(b) Any reference material beyond the test and the instructor provided formula sheet. This includes notes or textbooks.(c) Calculators without the memory cleared.

If I use Blackboard, I will not use any program on the computer other than an internet browser open to the Blackboard Exam webpage. No other program or webpage will be open during the exam. I will not navigate to Course Material within Blackboard. I understand that if I open another program or webpage, doing so constitutes cheating.

(Sign and print your name.)

Instructions: Please submit this sheet of paper at the close of the exam period. If you are submitting your answers by paper, then record your answers on the backside of this page. If you are submitting your answers by Blackboard, the quiz password is **CR007**. Do not submit fractions on blackboard.
